## STATE OFFICER CANDIDATE APPLICATION

We are pleased that you are interested in running for a Delaware SkillsUSA State Office! Prior to running for an office, we would like to acquaint you with the duties and responsibilities required of State Officers. Our website, <http://delawareskillsusa.org/> and the Delaware SkillsUSA By-Laws is a great place to start for you to begin to learn of the duties. We also encourage you to speak with a current or former State Officer to learn of the responsibility and duties of your service. This is a student organization and as a State Officer, you hold a great responsibility in the operation and success of Delaware SkillsUSA.

### **STATE OFFICER CANDIDATE SCREENING**

The State Officer Candidate Packet is due on February 2, 2018. The State Office will review your application and may contact any references listed on your application. If successful, you may be granted an interview to further discuss your candidacy as well as to answer any questions that you may have. This interview session will be for the purpose of determining appropriate candidates to run for office. After a successful interview you may be placed on the ballot for election. Please fill out the state officer application materials and return them by the stated due date. Should an interview be scheduled, the state office will contact you with the details. Each interview should take about 15 minutes. Send your completed application as a **PDF file and email it to:** Mike Fitzgerald, SkillsUSA State Advisor [mike.fitzgerald@doe.k12.de.us](mailto:mike.fitzgerald@doe.k12.de.us)

### **State Officer Application Criteria**

Candidates who intend to serve as a State Officer do not need to have prior experience as a Chapter Officer, however featuring your prior experience in service as a leader in SkillsUSA or another organization may add great value to your application. Candidates who are applying to serve will need to commit to participating in the State Officer Legislative day in May (TBD), State Officer training in June (TBD) and the State Officer Work Plan Retreat for up to 2 days and nights in the summer of 2018. At the August meeting the officers will work as a team to create the Delaware SkillsUSA Work Plan that will be used to guide all of the strategic projects that will occur throughout your term in office.

### **STATE OFFICER ELECTIONS/INSTALLATION**

Attendance at both the Election and Installation are mandatory for the executive offices of President, Treasurer, Secretary and vice presidents. All officer candidates will be excused from school in order to attend.

### **STATE OFFICER MEETINGS/FUNCTIONS**

State Officers participate in monthly meetings, officer training and work sessions as well as work with SkillsUSA members from other schools and may attend national SkillsUSA functions. They may also represent Delaware as a delegate in local, state, and federal government activities. These dates are arranged by the State Advisor and the state office. Meetings are typically held after school. In addition, officers will have the opportunity to participate in other SkillsUSA related activities to serve in a leadership role. These activities are determined in the annual Work Plan that the officers create at the State Officer Work Plan Retreat. Competitive conferences and events are sanctioned by the chief school officers of all public school districts in Delaware.

**I have read the above statement and understand the expectation to attend and participate in ALL SkillsUSA events and functions as scheduled during my term in Office.**
