### »» New Year, New Theme: “Ignite Your Potential”

Our membership theme for the 2024-25 school year is “SkillsUSA: Ignite Your Potential.” This theme is designed to inspire the amazing work in our SkillsUSA chapters during the school year as students develop their Personal, Workplace and Technical Skills through our SkillsUSA Framework and realize their incredible potential. The theme will also be the topic for the 2025 SkillsUSA Chapter Display, Prepared Speech and Promotional Bulletin Board competitions.

We set the stage for that new theme at the close of the last school year as we announced the largest membership in SkillsUSA history at 413,293 student and teacher members nationwide and 475,749 total members! Our 2024 National Leadership & Skills Conference (NLSC) set records, too, including 17,802 attendees, the most ever! Now it’s time to focus on the year ahead, and that starts right at the local level in our 21,629 classrooms across the country. Are you ready to “Ignite Your Potential?” We encourage you to [download the theme art](#) and to use it in your SkillsUSA materials and communications.
