»» Celebrate National Apprenticeship Week: Nov. 17-23

Join us in recognizing National Apprenticeship Week (NAW), a nationwide effort led by the U.S. Department of Labor. This week unites business leaders, educators, apprentices, and others to spotlight the important role apprenticeships play in closing the skills gap and preparing the future workforce.

Your chapter can participate by hosting high school career fairs, industry roundtables, apprenticeship graduations, or submitting state or local proclamations in support of NAW and apprenticeships. With the SkillsUSA guide, you can also organize a fun, engaging event where businesses and alumni visit your school to share apprenticeship information and success stories, creating a memorable experience for students.

SkillsUSA will offer various resources to help your chapter, including ready-to-post graphics, a social media plan, a SkillsUSA Guide for inviting industry into your chapter, and a NAW Guide for hosting off-site events at company locations. You'll also receive fact sheets, success stories, proclamation templates, and more. Be sure to share your event afterward!
